TALLAHASSEE REGION, AACA
MEETING MINUTES
February 14, 2017
The Old Tallahassee Auto Museum

There were approximately **52** members and guests present this meeting.

Pledge to the Flag: Everyone

Opening prayer: A the suggestion of Ken Hart, a moment of silence was held.

Welcome: Ken Hart welcomed everybody; there were not guests or visitors to introduce.

50/50 Drawing: The 50/50 drawing was enjoyed by all.

Program: Phil Reichert presented the program consisting of "guess that car" pictures and winners were treated to candy he provided. He also presented pictures from the 2017 Moultrie Swap Meet. Phil also mentioned a good place in Lake City to purchase old car parts. His name is Gregory Koehl and can be reached at 573-718-7612 or gregorykoehl@hotmail.com. This information will also appear in the Club Newsletter.

Announcements & Reports: Ken Hart advised the members that the Board recently held a meeting. He also passed around lists for members to sign up for the Tour Committee and Membership Committee.

Committee Reports:

Sunshine: Pam Pumphrey passed around a card for Randy Cook who is in the hospital and reminded everyone to keep him in their prayers. Don is recuperating fine (jokingly, but he did have minor surgery). Everyone is glad to see Ron Levy back. Craig McCollum is doing well after minor surgery.

Treasurer's Report: The report was given by Norm Madsen, details are available from him.

Tour Committee: Norm Madsen announced that March 18 is the date of the Monticello Home and Heritage Tour. The Committee will meet again to finalize plans. Cost is usually $25 per person but the Club is being given a discount of $15 per vehicle. Club members usually go to lunch together and then take back roads home. There is no tour in January. Ken indicated that the Committee was looking to have shorter tours more frequently.

Show Committee: Pam Pumphrey talked about another Car Show to support Honor Flight. She indicated that because there are so many car shows in the spring that it would be better to do an Honor Flight Car Show in the fall. It doesn't have to be around the time of an Honor Flight – the show is to raise funds that will be donated to Honor Flight. It is anticipated that it would be in the same place as last time, the Department of Transportation parking lot. It was suggested that perhaps around Veteran's Day would be a good time. The Honor Flight this year will be on Saturday, May 20; all are encouraged to volunteer or just come out to welcome the veterans home at the end of their flight.
A flyer was passed around about the Heart Ball and the call for old cards for a Sinatra era themed event. Participants will receive a free dinner. Car entrants should arrive between 3:30 and 5:00 p.m. Call Pam Pumphrey for more details.

Bob Grimes talked about the Camp Gordon Johnson parade on March 11; trailered cars can unload at the museum; the parade begins at 9:45.

On March 18 Crawfordville is having a St. Patrick's Day Parade; Tony Manicelli is in charge.

Flyers were placed on the table promoting other shows. If you have any additions regarding shows, get them to Dennis Tober who will get them in the Newsletter.

Coming Events: See above.

Old Business: John Schanbacher reminded members to get their dues (local and national) paid up to date. If you are unsure if you are paid up, please contact John (jrschan@comcast.net) right away. He needs to send the final Club roster to National soon.

New Business: Ken Hart discussed the TCC/Lively Tech automotive program and an initiative to partner with them for a scholarship (or two) to be sponsored by the Club. Jack Hanbury is working with TCC on this. It would be a scholarship for a student which would also include free club memberships (local and national) for one year as a way to encourage new/young members in the Club. Neal Davis presented an amended motion after discussion as follows: "The TRAACA will sponsor a scholarship program with Lively Technical Center, Automotive Service Technology program, which will be limited to $500 for 1 or 2 students (depending on eligible students identified) for their second year in the program which would include memberships in the TRAACA and National AACA for one year." The motion was seconded by Jack Hanbury. After additional questions, answers, and discussion, a vote was taken. The motion passed unanimously.

Thanks from Bill and Ruth Herrle for help with their vehicle.

Everyone was reminded of the breakfast Friday and Cracker Barrel at 8:30.

Next Meeting:

The next meeting will be held on **Tuesday, March 14, 2017** beginning at 6:00 pm at the Old Tallahassee Auto Museum. The meeting adjourned at 8:00 p.m.

Respectfully submitted by Marianne Trussell, secretary

Note from Phil Reichert as follows:

At the club meeting, I distributed a sign up sheet for some committees and the following members have signed up as indicated:

Tour Committee - Norm Madsen, Jack Hanbury, Bill O'Rourke, John Wells, Phil Reichert, John Schanbacher, Mark Poole

Show Committee - Craig McCollom, Kedra Baumgardener, Norm Madsen, Bob Brown

Program Committee - Phil Reichert, Gary Edwards

Membership Committee - Vic Hajos

Tony Minichiello, who was responsible for the WWII Museum when the club drove there

This one is a St.Patrick's Day event in Crawfordville. Unfortunately, it falls on the same day that TRAACA will be touring to Monticello for the Homes & Heritage Tour.

Anyone who is NOT planning on touring to Monticello with us, might consider this event.

Vehicles for Sale:

Car #1—Jim Tyson

I have attached a picture of
my 1957 Mercury Montclair. It has been completely rebuilt and only needs a paint job in the future. I am asking $18,500, but will accept reasonable offers. I may be reached at 229-977-5486. Please see that this is placed in the upcoming newsletter.

Thank you,

Jim Tyson

Car #2—Norm Madsen

From Norm's e-mail:

I've come to the realization that I have too many old cars. I've decided to sell my newest old car.
It is the Red over Black 1954 Packard that I have driven on so many TRAACA tours, shows and other events, and on a few Packard tours.

This weekend, I am trailering it to Sarasota for the Florida Packard Club Meet, and putting a sign in the window. I want to give TRAACA members a chance at it first, as I'd like to see it stay in our club.
If anyone in the club purchases it, I will make myself available for questions and advice. I have owned this Packard for 15 years, and know it intimately. It is a great driver, that I could get into and drive anywhere at a moment's notice. I've done lots of work on the car over the years to make it a safe and great handling driver.

Specifics:
1954 Packard Cavalier
aprox 52,000 miles from new
327ci Straight Eight, rebuilt aprox 10,000 miles ago. Starts and runs and drives very well.
Chrysler 727 Automatic Transmission (Neal Davis converted the car from its Packard trans to the 727 for me ten years ago, and it is a huge improvement.)
Factory PS, PB, Power Antenna, Signal-seeking AM Radio, all working
Optima Battery and Cutoff Switch
Original Air Conditioning---I never finished making it work, but have all the parts
Heater
Wide-whitewall radial tires
Gas gauge is the only non-working item. I believe the sending unit is the problem, and I have a perfect spare.
Vacuum wipers don't work well. I prefer Rain-X

I

Includes custom fit California Car Cover, which always is on the car except when I am driving it.
Includes lots of documentation and receipts, albums and letters and photos of car's history and its restoration and from the TX dealership it was originally purchased from.
Includes original owner's manual, copy of factory service manual, and some other literature.
Probably some other stuff I can't think of now.
I also have lots of spare parts available.

Asking $15,000
