

TRAACA's Christmas Party

This years party was a great success. The food was great, and the company even better.

We held a gift exchange, and it seems all went home happy. The new 2023 club officers were introduced, and the member of the Year awarded.

Thank you to all that took pictures and sent them to me. I have included as many as I could.

Notes for 2023

As 2022 comes to a close, I would like to thank everyone for your support and help over the last few years. As President, I felt that I needed to increase activities, and increase quality membership.

The Covid-19 year was rough. No meetings, nor activities. Nothing really to write about in the Newsletter. But, some of you came through with stories from your past with cars, etc. Thank You All!

My Vice-President Craig McCollum, was always there to help with an idea, or a verbal smack to the head. He is one of a kind. I am happy to call him a friend.

This year, we have new officers and chances to increase our club's activities. Please support the new officers and let's make 2023 a great year for TRAACA!

Monticello cars and Coffee

There will be a cars and Coffee held in Monticello, on the last Saturday of January. Times are from 9 am till 12 pm. This will be a monthly event.

This is a new attempt to get the classics, and other cars out so they can be seen by the public.

The location will be the Winn-

Dixie Shopping center, in the side lot of Car Quest.

This is strictly a non-judged show of cars. Exactly as we do our own C+C. Just a chance to get more folks out talking about cars.

I will be publicizing this in the area, and placing flyers wherever

we can.

Please consider coming out to this event. We get a good start with this and it opens doors in our community.

This year the member of the Year is Craig McCollum. Craig is a long time member of TRAACA, and surely deserves this award.

Craig plans, and oversees the Watermelon festival Car Show, and was 2022 Vice President. That means he had the hard job of keeping me out of trouble!

Thanks for all you do Craig, And keep up the great job! -DWR
