TRACA CHRISTMAS PARTY

On December 14th we held our annual Christmas Party at the Culinary Arts Building, Lively Tech. The party was well attended, and 47 members enjoyed it.

There was a gift exchange after dinner. If you bought a gift, you got a gift. I believe that most of us left happy with it.

The Dinner was great, and very tasty. The chefs served Pork, Roast beef, and Turkey with dumplings. There was plenty of salad and fruit available also. Thanks to our favorite chefs .

Neal Davis made an announcement about the Ocala Bus Trip in January. See below. The business part of the meeting was cut short to allow

more time for everyone to enjoy the time together.

Looking forward into 2022:

1. We would like to continue getting new members, and retaining our core members. Growth is important as is the experience and comradery of our senior members.
2. Planning needs to continue on 2023 nationals. Neal Davis needs support from all of us.
3. More events such as tours and such. One a month would be a great start.
4. More participation by the membership. We need to have our meetings better

attended, and programs done that will interest us all.

5. I would like for everyone to consider getting High School and college age folks interested in the classic cars. How we do that could be a topic for discussion. We need to foster the interest so the hobby continues to grow.

In closing, on behalf of Chantel and I, we hope everyone had a Merry Christmas, and will have a Happy enjoyable New Year. Welcome 2023!

Honeybun delivers to Toys for Tots!

Honeybun decided to donate a toy to the Toys for Tots program in December. She knew where she wanted to take the toy, and graciously allowed Chuck Kunstbeck to drive her there.

The Toys for Tots program is one of the most worthwhile programs around. No kid should ever go without a present on Christmas morning.

Urrah! Chuck and Honeybun. Job well done!

GERBER COLLISION CARS AND COFFEE

As you are aware, we hold a Cars and Coffee get together at the Gerber Collision shop, on Appalachee Parkway, the second Saturday of the month. The time is 9a.m. till 12 p.m..

The meeting for December was on Saturday the 11th. We were able get out there and show off some of our cars, and talk to folks about them.

The folks at Gerber always go out of their way to make the event as welcoming as possible. The coffee is hot, and the donuts are great!

A big thank you goes out to them for their efforts!

We parked our cars closer to the roadway so travelers could see them. It seemed to help draw in more folks

Our Cars and Coffee was also adver-

tised on Facebook. There were several new folks that are joining the club.

In the future we will be parked close to the road as we were this month.

Thanks to Neal Davis for bringing the hot coffee and the donuts.
