# Craig McCollum's Memorial Run July 1st 2023

On July 1st, Members of TRAACA and members of the Corvette club joined together to perform a memorial run to honor Craig McCollum. There were 25 cars in attendance, as we passed Belle, and Craig's two sisters in front of their home.

This run meant a lot to Belle, and showed our respect for Craig.

I would like to thank everyone that came out for the run on a very hot day. -DWR

## Trivia Question Section

**What was the Volkswagen Beetle called when it was first sold in the United States?**

**The Victory Wagon** : The United States was probably wary of selling the car under its regular name. The vehicle was designed by Adolf Hitler and Ferdinand Porsche. Plus it reminded Americans that they won WW2.
