

Watermelon Festival Canceled.

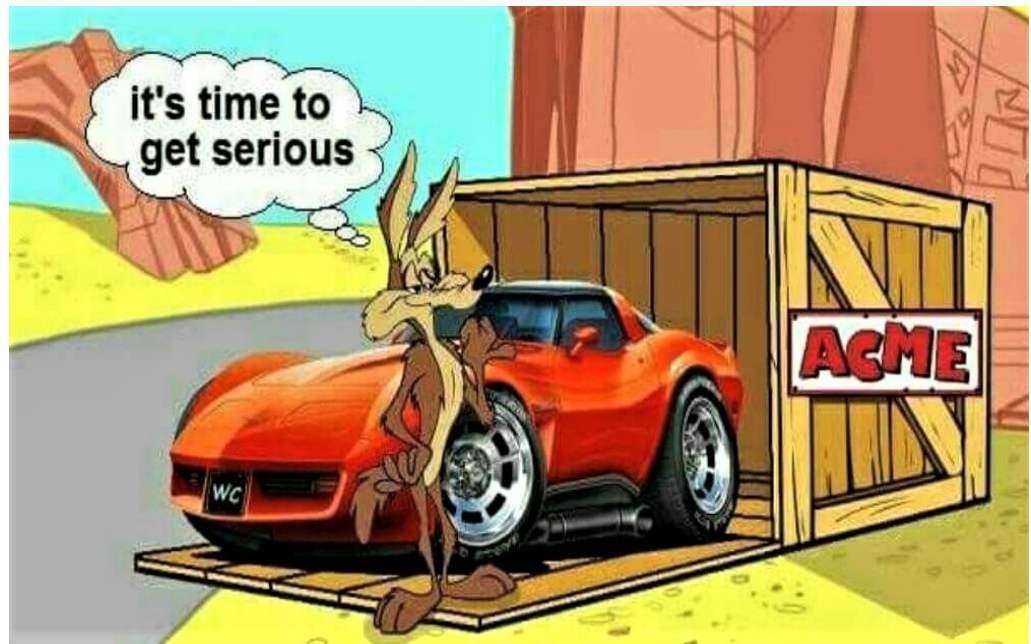

As we all are aware, the Watermelon Festival Car Show was canceled by the group running it. They had reports of a very high chance of rain and serious storms. The group felt that cancelling the festival would be best.

We will have all the trophies and prizes thanks to Craig McCollum for next year's show.

No Meeting for July at Lively Tech.

The Lively Tech School will be closed for the time we would hold our meeting. We will not be holding any meeting then. The club will be returning to Lively on August 15th.

Summer is here! Time to get out and have some serious fun with our cars. Make some memories, enjoy the road, make new friends, In short...ENJOY CAR LIFE!

Tribute to a Friend of TRAACA, Craig McCollum

By now, all of our members should know that our friend and long time member, Craig McCollum passed away on Wednesday June 14th.

Craig was a power to be reckoned with in the club. He was always planning, talking to sponsors, passing out Watermelon Festival cards at every event we held, He pushed himself so hard that the club became a part of him.

The Watermelon Festival car Show that we put on wouldn't be the same without his efforts. It may never be the same again. But we will not let his efforts fail.

Craig was a member of TRAACA for 20 years. His cars are beautiful. He loved his cars almost, but not quite, as much as his wife, Belle. Craig's presence is sorely missed.

When I was elected President, Craig was elected Vice-President. Essentially, he was there to keep me out of trouble. Which he mostly did! He was a source of information and a guide through my learning period. We served for four years and Craig performed the duties in a very professional manner.

We had our differences, but always remained friends.

In closing, I would like to say that I miss my friend and fellow club member. But I know that if there are cars in Heaven, Craig is putting together one heck of a show for the angels.

Respect.

Don Romaine

The Tallahassee Region AACA (TRAACA) is the Regional club chartered to the AACA National Organization. The AACA was established in 1935 and is dedicated to the history of the automobile, and the preservation and/or restoration of vehicles 25 years old or older. This includes cars, trucks, commercial vehicles, and motorcycles in original or restored condition.

TRAACA was established in 1970. Activities include, regular meetings, judged and non judged shows, displays, local tours, Rallies and Participation in national events put on by AACA.

If you wish to become a member of our regional club, Then you are also required to join the AACA national club. Belonging to these clubs gives you many benefits. There is access to the National AACA show held at Hersey Pa each year, access to other members that are a wealth on information on most car projects. You may just enjoy the fellowship of other car owners. You can download an application at TRAACA.org.

Ownership of an antique automobile is not a requirement for membership.
